Vol 4, June and July 2010

Northwestern Ohio Regional News:

- NWOR Still Needs You. We still have a couple of Chief positions that need to be filled for the 2010 Solo season. All these positions count as a work assignment, thus you won't have to go out and work course, etc. If you're interested in any of these positions, or know anybody whom might be, get in touch with Bryan.
 - Waiver Chief - I need a person to help Andrew Blasiman. Job responsibilities include manning or finding someone to man the gate at solo events to ensure that the waivers are getting signed by everybody. You also collect all the signed waivers at the end of the event and ensure that they all have signatures on them at the bottom.
 - Registration Chief - Show up to the event early enough to get registration setup, then work registration and find other workers to help with registration.
- The Social Director position is also still open. Responsibilities include setting up the monthly meetings and setting up the year end banquet. You can also setup other social events (games, meets, etc) if you feel like it.

The entrance will be marked.

Note: We have a new entrance! Last year we used Gate 45. This year we are at Gate 41. The change in gates is to relieve traffic congestion near the grids.

If not, you will have to wait until the Grid Marshall returns to your spot. After all four runs have been taken you may leave the grid. There will be no more than 3 cars in line at any one time.

NWOR-SCCA August Board Meeting

Claddaugh Irish Pub

8/3/2010

Called to order: 7:38 pm by RE, Bryan Rawlins

Regional Executive: Bryan thanked everyone for the tremendous job done by the region for the Toledo Pro. He also mentioned that Howard Duncan, VP Rally, Solo and Program Development for SCCA, thanked him for a job well done.

It was suggested that we subsidize one member going to Nationals each year. This was debated and found to be difficult to administer fairly. Instead an alternate plan was proposed to have a fixed sum and divide it equally amongst the entrants going to Nationals who meet specified criteria. The criteria will be open for member comments after Nationals 2010 and a decision will be rendered at the banquet.
